SYNOPSIS

STATEMENT OF PURPOSE AND MAIN FEATURES OF PROPOSED RULE

The purpose of this amendment is to modify the rule to reflect updated practices related to administering the ADAP program.

DIFFERENCE BETWEEN EXISTING AND PROPOSED RULES

The proposed amendments clarify that DDS works in partnership with the Board of Education, but DDS does not actually monitor the ADAP schools. The other definitions were modified to reflect updated practices and clarify that the ADAP instructors are certified by DDS, but no longer have to be employed by certain government agencies.
